Be it enacted by the General Assembly of the State of South Carolina:

SECTION 1. Section 44-63-100 of the S.C. Code is amended to read:

Section 44-63-100. (A) For the purposes of this section:

(B) A petition may be filed in the South Carolina family court of petitioner's residence, or if petitioner no longer resides in South Carolina, in a court of competent jurisdiction in the state of petitioner's residence, for an order establishing a record of the name at birth, subsequent name changes, gender at birth, gender changes, date of birth, county of birth, and the full name of the mother prior to any marriages, and the full name of the biological father of the person whose birth is sought to be registered by way of a Delayed Certificate of Birth Established by Court Order.

A certification from the State Registrar of Vital Statistics must be attached to the petition stating that no birth record has been located in the records of this

State. This certification must be dated less than two years before the petitions' filing date.

~~(C)~~(D) The petitioner shall serve a certified copy of the filed petition on the State Registrar of Vital Statistics at least thirty days before a scheduled hearing. The court shall fix the time and place of the hearing on the petition for establishment of birth registration, and at least ten days' notice in writing must be given to the State Registrar of Vital Statistics.

~~(D)~~(E) The court shall determine, and the order must include, the registrant's name at birth, subsequent name changes, gender at birth, gender changes, the date of birth, the county of birth, the full name of the mother prior to any marriages, the full name of the biological father, and additional findings as the court considers necessary.
