5 **BE IT ENACTED BY THE LEGISLATIVE ASSEMBLY OF NORTH DAKOTA:**

6 **SECTION 1.** A new section to chapter 14-09 of the North Dakota Century Code is created  
7 and enacted as follows:

14 2. This state, any political subdivision, or any other governmental entity may not  
15 substantially burden the fundamental right of a parent to direct the upbringing,  
16 education, health care, and mental health of that parent's child without demonstrating  
17 that the burden is required by a compelling governmental interest of the highest order  
18 as applied to the parent and the child and is the least restrictive means of furthering  
19 that compelling governmental interest.

20 3. Parental rights are reserved exclusively to a parent of a child without obstruction by or  
21 interference from the state, a political subdivision, a governmental entity, or other  
22 institution, including the right to:

- 1           a. Direct the education of the child, including the right to choose public, private,

- 24          offense has been committed against the child.
- 25          k. Opt the child out of any personal analysis, evaluation, survey, or data collection
- 26          by a school district which would capture data except what is necessary to

- 3           b. Prohibit a court from issuing an order that is otherwise permitted by law.
- 4       6. An employee of the state, a political subdivision, or a governmental entity, except for
- 5           law enforcement personnel, may not encourage or coerce a child to withhold
- 6           information from the child's parent and may not withhold information that is relevant to
- 7           the physical, emotional, or mental health of the child from a child's parent.
- 8       7. A parent may bring suit for a violation of this section and may raise the section as a
